for the Gomal we shall all perish.

Therefore we pray that our earlier petitions and the connected records may kindly be sent for and orders passed allotting S. No.83, 137 acres and 10 guntas, and S. No. 84, of ~~265~~ 163- acres and 32 Guntas, forthwith to let our cattle survive.

The Forest department is at the moment arranging to fix up fencing, wherefore this may kindly be ordered to be stopped.

Unless we are protected from this starvation of our cattle, we submit that apart fromt the cattle we will be compelled to be starved with dangerous consequences.

At a time when the Hon'ble Prrime ~~and~~ Minister in the Parliament, and all other Hon'ble Ministers of the State have been urging production of food grains this non-existence of sufficient gomal is a dangerous thing.

Wherefore we pray that the village of Yennaganur may kindly be paid a visit by you, Honourable if necessary before our cattle perish, and we pray for a date being fixed to let us produce the starving cattle.

Thanking you,

Yours faithfully,

Honourable Sir,

Sub: Allotment of S. Nos. 83 and 84, of Yennangur village for Gomala - Orders of.

May I, Narasihma Gowda, the petitioner abovenamed on behalf of the residents of Yennangur village beg to submit the following:-

1. That we submitted our petition to the Hon'ble Minister for Agriculture and Forests in Mysore, Bangalore on the 23rd July, 1957, about 15 months ago praying that certain Survey Nos. of Yennangur village encroached upon by the Forest Department may kindly be ordered to be restored to Gomal land in the interests of the Live-stock of Yennangur.

2. Ever since then in the absence of the restoration of the necessary Gomal land, our cattle are decaying and die, in consequence, our agricultural operations suffer heavily.

At the time when food grain production has been and is the top priority, and when many of us villagers are starving, the non-existence of Gomal land, has cut to the very root of our existence besides those of our cattle.

We have more 1,250 heads of cattle other than the rest and unless provision is made for

Sir,

Sub:- Allotment of S. Nos. 83 & 84 of Kennangur Village for Gomal.

Ref:- Your letter No. AFD-480-FGL-59 dated 1-10-1959

I invite your kind reference to this office letter of even number dated 21-2-1959 (vide your Memo No. AFD-268-DST-57 dated 27-7-1957) under which a detailed report has been sent to Government in the matter. A copy of the same is enclosed for ready reference. Orders of Government in the matter are still awaited. In this connection I have to state that grazing of cattle is freely allowed in all the Forest areas except in younger plantations. Hence the question of releasing the forest areas exclusively for Gomal does not arise.

The application is retransmitted.

I enclose a copy of letter No. E. 2269 dated 22-12-1958 of the Divisional Forest Officer, Kolar along with its enclosures received in No. M2. 236-686/57 dated 2-1-1959 from the Conservator of Forests, Bellary Circle for kind peursal. It can be seen therefrom that an area of 43 acres 22 Guntas has been encroached by the Department in S. No. 85 and plantation raised during 1948. No area has been encroached in S. Nos. 84 and 86 from the area left outside the forest. Since the Department has already raised plantation in the encroach-ed area in S. No. 85 and as it is reported to be fully stocked and the plants are sufficiently aged, it is not desirable to release the same at this stage, and therefore it may kindly be ordered to be reserved. As regards the release of S. No. 83, included in the State forest, for gomal, I have to state that grazing of cattle is free in the forest areas of old Mysore State except in areas under regeneration and therefore I suggest that the request of the applicants may kindly be rejected.

The application is retransmitted.

COURT FEE INDIA 2 RS TWO RUPEES

BEFORE THE HON'BLE MINISTER FOR FOREST AND ANIMAL HUSBANDRY AGRICULTURE IN MYSORE AT BANGALORE.

PETITION NO. of 57.

PETITIONER:- N. Muniswamappa, Muniyappa and others of Yennangur village, Jangama Kote Hobli, Sidlaghatta Taluk.

SUBJECT:- Ref. the release of land in Jangama Kota ~~village forest~~ State Forest and stopping unauthorised encroachment of Gomal lands of Yennangur village contrary to Gazette Notification No.9952-250-36-3 dated 12-6-1937.

The villagers of the Yennangur village, Jangama Kote Hobli, Sidlaghatta Taluk, beg to bring the following facts for kind consideration and immediate relief in the matter.

The Government have taken 472 acres 20 guntas or 72 Sq. Miles for the State Forest from Yennangur Gomal in their Notification No.G.9952 F.T. 250-36-3 dated 12-6-1937, but the Forest Department has completely diverged from its own Notification and encroached upon the Gomal land of the village putting the villagers into great hardships and inconveniences as detailed copy of the Gazette Notification No.G.9948-51-252-36-3 dated 12-6-37 has hereby enclosed for kind reference.

According to the Gazette Notification No.G. 9948-51 F.T. 252-36-3 dated 12-6-1937 the Forest Department should have taken the land as follows:

Survey No.	Area proposed to be taken.		Proposed area to be left for Gomal.		Total.		Actually taken by-Forest De-partment.	Remarks.
	A.	Gs.	A.	Gs.	A.	Gs.	A.Gs.	
83	137	10	--		137	10	137-10	No plantation has been raised for the last 20 years.
84	163	--	102	24	265	24	265-24	102.24 acres have to be left, but total area has been taken.
85	114	10	43	22	157	32	157-32	Total area taken and nothing has been left, but 43.22 acres should have been left.
86.	58	---	123	21	181	21	100.0	58 acres should have been taken, but nearly 100 acres have been encroached upon. This 58 acres may be left for Gomal instead of 43.22 acres in S. No.85.
	472	20	269 9	27 12	642	07	502-34	
			278	39				

According to the above schedule, 278 acres 39 guntas should have been left to the Gomal, but the Department actually encroached upon the Gomal land as described above. There is no plantation in S.No.83 at all, for the last 20 years and the forest department as well give back No.83 to the Village Gomal. In S.No. 84 the Forest Department should have taken 163 acres and left 102.24 acres to the Gomal for the village, but the department has encroached upon the entire plot and creating great hardship for the villagers and village cattle. The Department is

The Department is saying that the entire S.No. 84 is taken over by Forest Department. In S. No.85, the Department should have taken 114.10 acres as per the schedule notification and should have left 43.22 acres which they have not observed, but the department has raised plantation in the entire S.No.85 in 157.32 acres. In S.No.86 according to notification 58 acres should have been taken out 181.21 acres, but the department has been trying to encroach upon the major portion of the S.No.86.

The petitioners have been trying their best to see that the notification order will be observed by the Department without putting the villagers as well as village cattle into unnecessary inconvenience and hardships.

The forest department has proposed to take the land in S.No.83, 84, 85 and 86 of Yennangur village, about 20 years back when the village cattle is about 642. Now the population as well as the population of the cattle have increased. As a result the gomal has become completely inadequate and the dearth for land for cultivation for the landless is also increasing, but the forest department has been gradually encroaching on the gomal year by year. At this rate the petitioners apprehend that there will be no gomal to the village in the near future and the forest department likely to occupy the entire gomal as they have been doing now by digging trenches and planting trees even on the plot not included in the plantation.

The petitioners therefore submit that the department maykindly be directed not to un-

unnecessarily encroach upon the gomal land and they pray as follows:-

1. As there is no plantation in S.No.83 for the last 20 years, the same may be released for the gomal for the use of the village.

2. In S.No.84 out of 265.24 acres the forest has to take 163 acres but the department is measuring the entire plot to take to the plantation. Hence the department may kindly be directed to leave 102 acres and 24 guntas to the village gomal as notified on 12-6-1937.

3. In S.No.85, the Forest Department proposed to take 114 acres 10 guntas leaving 43.22 acres, but the entire plot has been taken away by the Department contrary to the Gazette Notification.

4. In S.No.86 the forest departmentproposed to take 58 acres out of the total 181.21 acres, leaving 123 acres 21 guntas, but the department is digging the trenches in the major portion of the plot. Hence the petitioners pray that this 58 acres may kindly be released to the gomal in place of the 43.22 acres in S.No.85 taken by the Department already.

The petitioners in short pray that the land may be allotted to gomal as detailed below:

	A.	Gs.
S.No.83	137	10
" 84	102	24
" 86	181	21
Total.	421	15

that is, 421.15 acres in view of the fact the cattle is amounting 1000 and population is about 1000.

PART III-1 THE MYSORE GAZETTE JUNE, 17-1937 PP.455.

No. G. 9952 F.T.250 - 36-3 Dated 12 June 37.

The Government of His Highness the Maharaja of the Mysore are pleased to declare under Section 17 of the Mysore Forest regulation of 1900, that from the 1st August, 1937 the area the boundaries of which are set forth in the Schedule appended to this notification shall be deemed to be a "State Forest" subject to the exercise of rights specified at the foot thereof:-

SCHEDULE.

Dist.	Taluk	Hobli	Village	Area	Name of Block	Remarks
Kolar	Siddlaghatta	Jangama kote	Yennangar	A. G. 472 20 or 74 Sq.Miles	Jangama kote Plantation Extension	This block is abutting Jangamakote plantation.

BOUNDARIES

North:- Starting from a point in S.No. 86 of Yennangur village about 25½ chains north-east from the trijunction gadi Bonds of Idabuthippenahalli, Chokkandahalli and Yennangur villages and 23½ Chains east from eastern corner of S.No.87 of Yennangur village, the line runs north-east in S.Nos 96 and 84 of Ynnangur village for a distance of about 53 chains (leaving the Dasappankunte in S. No.86 out side the block) to a point about 5 chains South from the South-west of S.No.66 of the same village. The line then runs north-east in a strainght line through the S.No.84 for about 63 chains (out skirting the Iyyanakunte in the same S. No.) and meets the common boundary of Yennangur and Kayamgutta Nadagi Naikanahalli ~~vila~~ villages and catches the southern limits of the later village. Thus it runs North east and north for about 52 chains along the common boundary till it meets the southwest corner of S.No.81 of

Subject:- Release of land in Jangamkote State Forest and stopping anauthorised encroachment of gomal lands of Yennangoor village, contrary to Gazette Notification.

Reference: Your letter No. RD.414 LBD.59 dated 29-6-59.

The Tahsildar, Gidlaghatta taluk after personal inspection of the lands reports that the S.No.85 of Yennangoor village measuring 157-32 acres is in the enjoyment of Forest Department has raised Plantation on an extent of 43-22 acres unauthorisedly and that the S.Nos. 83 and 84 measuring 137-14 and 265-24 acres respectively though said to have been reserved for Forest Department are free from any kind of Plantation and these lands may be released for grazing of cattle. Since the Chief Conservator of Forests in Mysore, Bangalore states in his letter (copy enclosed) that grazing of cattle is freely allowed in the forest areas in old Mysore State except in areas under regeneration, there does not appear to be any need to issue specific orders releasing these two S.Nos. for grazing purposes.

Sub. Release of Land in Janjamakote State forest and stopping unauthorised encroachments of Land of Yennangoor village. etc.

Sir, With reference to the above subject, I write to state that the undersigned visited the spot on 3/3/1960 along with the Revenue Inspector and concerned VOs". It is seen on my spot inspection that the Sno 85 of Yennangoor, measuring 157 acres 32 guntas is under enjoyment of the forest department and they have raised plants in the entire extent which can be said an extent of 43 acres 22 guntas is unauthorisedly occupied by the said Department.

It is learned that the Snos 83 and 84 of Yennangoor village also have been reserved on be-half of the forest department. But on my visit it is seen that forest department have not raised any plants in Sno 83 and 84 which are vacant. When I visited the spots, the villagers are anxious for the release of Sno 83 and 84 in question for the purpose of the grazing cattle.

P.T.O

In these circumstances I submit that the S.No 83 and 84, measuring 137 acres 14 gunts 265 acres 24 g. respectively may kindly be recommended to be released in the interest of the grazing cattle of the villagers as the plants are not raised to ~~no loss~~ no loss or damage to the Department. Copy of letter No.B3-98-820/58 dated 21-2-1959 from the Chief Conservator of Forests in Mysore, Bangalore to the Secretary to Government, Agriculture and Forest Department, Bangalore.

Sub:-Release of land in Jangamkote State Forest and stopping unauthorised encroachment of gomal lands of Yennagur village contrary to Gazette notification.

Ref:-Your letter No.AFD 268 DST 57 dated 27-7-57.
and this office letter of even number dated 28-9-1959.

I enclose a copy of letter No.E.2269 dated 22-12-58 of the Divisional Forest Officer, Kolar along with its enclosure received in No.M2-236-686/57 dated 2-1-1959 from the Conservator of Forests, Bellary Circle for kind perusal. It can be seen therefrom that an area of 43 acres 22 guntas has been encroached by the department in S.No.85 and plantation raised during 1948. No area has been encroached in S.Nos. 84 and 86 from the area left outside the Forest. Since the department has already raised plantation in the encroached area in S.No.85 and as it is reported to be fully stocked and the plants are sufficiently aged it is not desirable to release the same at this stage and therefore it may kindly be ordered to be reserved. As regards the release of S.No.83 included in the State forest for gomal I have to state that grazing of cattle is free in the forest areas of old Mysore State except in areas under regeneration and therefore I suggest that the request of the applicants may kindly be rejected.

The application is retransmitted.
